

2023 World Service Conference theme:

Love Gifts:

Please mail Love Gifts to our Delegate at his/her home address. They should arrive by March 29, 2023

Even though the Conference is still scheduled to be in person, the hospitality room will be closed as it is too small to allow for social distancing. Therefore, Love Gifts will not be distributed at the Conference. Our Delegate will sort them out and mail them to the other Delegates before she leaves for Conference. For this reason, they should be more or less flat.
