## *Delegate's Report*

Greetings Missouri AFG!

### **Update on "Open" & "Closed" Meetings**

#### **Discussion:**

I want to start my article off with a clarification regarding "Open" & "Closed" Meetings. The clarification is:

Page 13 of my Delegate's Report is correct, however, the information that I delivered at the podium verbally is not.

### **AT THIS TIME THERE HAS NOT BEEN A CHANGE IN OPEN/CLOSED OPTIONS FOR MEETINGS.**

#### **Here is the resolution that my report stated:**

**RESOLUTION:** MOST AREAS SEEM TO AGREE THAT WEBSITE DESIGNATIONS OF "CLOSED" SHOULD BE REMOVED. THIS DISCUSSION WAS SENT BACK TO THE POLICY COMMITTEE BY CONSENSUS. THE POLICY COMMITTEE HAS BEEN ASKED TO CONSIDER THE TERMINOLOGY AND TO CONSIDER ALTERNATE WORDING APPROPRIATE FOR MODERN TIMES, WITH THE CAVEAT THAT PRESERVING ANONYMITY, CONFIDENTIALITY, AND SAFETY IS IMPORTANT TO ALL MEMBERS.

What happens next? The Policy Committee will do some research and in the future they may present their recommendations to the Conference. At that time, all groups will have the opportunity to voice any thoughts and concerns. Again, it has not been changed.

I guess Assembly was the weekend for learning curves and mistakes. I appreciate your patience with me as I learn the position as Delegate. Conversations happen very quickly at the World Service Conference. My notes were clear, my mind was not. If anyone has any questions or needs further clarity, I am happy and willing to provide clarification.

## **Delegate's Report**

I have been relatively busy since the Assembly. I would like to send a special thank you to Districts 4 and 8. Both districts invited me to come and share my personal experience as well as my WSC experience. Thank you both for your welcome and hospitality. I would love to visit more Districts. Please keep me in mind for the future.

In May the 2<sup>nd</sup> Quarter Chairman of the Board (COB) letter was sent out to the Delegates. The COB letter can be found in the Members' section on the <http://www.al-anon.alateen.org> website. Once you log in as a member, the letter is under the Board of Trustees section.

## **Executive Director**

By the time you read this article the search for our new Executive Director will have ended. The deadline for resume submission was June 15. The Board of Trustees would like to have the NEW Executive Director in place by mid-August. They are very optimistic about the selection and interview process.

## **2017 WSC**

In the COB letter the Chairman of the Board gives a detailed explanation about the 2017 World Service Conference. She also talks about three new features that were developed to help the Delegate's be more prepared for Conference. The one I loved the most was the 2017 World Service Conference App. We could download it on our smart phones. It was awesome to have it because it included the entire agenda of the WSC. We could customize our profile and select the activities we would be involved in. It also had a seating chart and an option for connecting/chatting with other Delegates. AWESOME. This was a project that was completed by our new Digital Strategy Manager, Scott P.

## *Chairperson's Report*

Hello Missouri Area,

I have one of our pieces of literature beside me as I write this report, *Many Voices, One Journey*. I am so grateful to have been a part of our voices at work in conducting the business of the Missouri Area during our May Assembly. Thank you all for your participation, feedback and support. I am in awe to be on this journey with you.

We received a lot of feedback from the Assembly Evaluations which is exactly what we want! This assembly we had a 43% response rate. I really look forward to reading your comments and suggestions then compiling a report to share with the other officers.

One of the evaluation questions was a ranking of (from most to least important) suggestions that could be part of business meetings from pages 163/64 of our Service Manual. I thought you'd like to see the culmination of your thoughts.

1st Delegate's report on Conference and/or recent communications from WSO - brief information session on WSO service – conducted by the Delegate.

2nd Secretary's report, approval of assembly minutes (tied) Chairman's report on AWSC since previous Assembly.

3rd Treasurer's report

4th Application of the Twelve Traditions of Al-Anon

5th Group Representative; time allotted for ideas, opinions, and questions

6th District reports from District Representatives on progress and problems

7th Town-hall meeting led by panel with all GRs participating

8th Interpretation of the Twelve Concepts of Service (tied) with Workshops – intensive discussion in small groups.

9th Report on Area newsletter, from Coordinators, Liaisons and any other committees (4 way tie)

10th Films and videos (WSO approved)

Your written comments were many and varied. There is a strong desire for hands on work with Knowledge Based Decision Making and more clarification about our Area finances. Many requested greater opportunities to share ideas and experience with each other one on one and in workshop/

small groups. There were requests for more structure when it comes to motions as well as requests for Saturday evening Al-Anon meetings.

In addition, there was a three to one preference to have reports provided electronically versus paper. But a strong preference that the Treasurer's report also be in paper form followed by the agenda, Delegate's report, Secretary's minutes, district reports and event flyers. It was suggested by more than one member that all reports be provided electronically at least one to two weeks prior to Assembly or AWSC.

Feedback related to specific topics such as the hotel and hospitality has been passed onto that Coordinator. Your feedback regarding structure, timing, reports, etc., will also be forwarded to the new Thought Force on Missouri Area Business meetings as they begin their work. We will do our best to continue to consider ways we can incorporate as much of your feedback and requests as possible within the current Missouri Area Al-Anon/Alateen Procedures Digest.

Looking ahead, our next Area World Service Meeting (AWSC) will be on Saturday, August 26th. The location and time is on the calendar section of our web site. The tentative agenda is elsewhere in this issue as well as on our web site.

In service and peace,

Lynn C-R

### Leadership Support Committee

The Leadership Support Committee is a standing committee of the Missouri Area and the procedures that the committee will follow can be found in the current light green Missouri Area Al-Anon/Alateen Procedures Digest on pages 28-29. There are two parts of this procedure. The first part (A) is about encouraging a smooth transition between outgoing and incoming Officers and Coordinators. Part B contains an explicit procedure for addressing members’ concerns when an Officer or Coordinator does not seem to be fulfilling their duties. As Chair of the committee, I urge you to read these procedures and note the loving principles that are contained in them: cooperation, compassion, respect, anonymity, presumption of good will, etc. The members of the Leadership Support Committee are as follows. Any member’s concern of non-performance may be reported to any one of these members, who were appointed by the Area Chair. Please note that one of our members has resigned and been replaced by Rayma Tyson. Lists distributed at AWSC and at Assembly are no longer accurate.

In service,

Ann H. (Chair)

- Amy G.
- Laurie K.
- Janet R.
- Rayma T.

## *Alateen Coordinator*

Although Alateen, the younger family members of Al-Anon, began meeting in 1957, the first employee at World Service Office, (WSO) began part-time in 1964. Her name was Timmy. She wrote the Alateen newsletter which later came to be known as Alateen Talk in December of that year when a competition among the Alateen groups picked the name. That same year at WSO an Alateen Committee was appointed consisting of Delegates from Kansas, Kentucky, Louisiana, Ohio, Texas, and Ontario. By December 31, 1964 there were 319 registered Alateen groups. During that year there had been 120 new Alateen groups to register and 63 groups that disbanded. Fluctuation seems to be normal for our recovery groups.

Since this is the year that Alateen celebrates its 60<sup>th</sup> anniversary, it would be wonderful to add some new Alateen meetings to the register. There are some conversations taking place where AMIAS are being asked if they would like to serve an Alateen group. There should be at least two registered AMIAS willing to serve a group with some others as substitutes. *If there are Al-Anons out there who believe that is where you would like to serve*, please contact any of the Alateen coordinators in Missouri. We would be happy to talk to you. The Area Alateen Process Person (AAPP), Janet W., is the person that you need to submit completed paperwork to become certified.

Please remember to support Alateen by bringing a basket or item to raffle for the Al-Anon/Alateen Convention in September or come to Convention to buy raffle tickets! Ben, our Alateen intern, is serving as the Raffle chair at Convention. The money generated will go toward the financial support of the convention, benefiting the entire Area.

If you have any Alateen questions, please do not hesitate to contact any of the members mentioned above that are serving Missouri Alateen. I am humbled to be the Alateen Coordinator and hope to serve in the manner that you would expect.

Respectfully submitted,

Marilynn M., Alateen coordinator

## *Ask it Basket Questions from May 2017 Assembly*

1. Sarah mentioned surveys. I am not (yet) 65 years old - and want to be sure I respond to the survey. What will be the delivery method of the survey? Thank you.

*The delivery method for the upcoming survey will be on the members' website. I think the results will be announced in mid-year 2018. We should receive the results at the 2018 WSC. It will be in my 2018 WSC Report.*

2. How much of the "Occupancy" expense at WSO is debt service on the building?

*Al-Anon Family Groups has completely paid the debt owed on the building. The "Occupancy" line item includes depreciation and other normal building expenses.*

3. What process was used to get the 6 motions? Was there an email to GR's asking for motions? Did the Officers and Coordinators come up with these? At what point (when) can a member submit a motion - before the Assembly?

4. It was discussed that the motions presented today were "housekeeping" and should not be taking up our time.... However before going to Assembly vote don't the motions have to have been submitted first to a more authoritative group for authorization? If, so, then they have deemed the motions valid.

*3 & 4 Our current and I believe only written guideline relating to motions contained in our Missouri Area Al-Anon/Alateen Procedures Digest is on page 6, item G. #3. "All motions are submitted in writing to the Area Chairperson". There is no time frame in terms of motions. Meaning, the Area Chairperson could receive a motion the day after an Assembly for the next Assembly up to and including a motion from the floor at Assembly. Certainly it's preferable to receive them in time to be published in the Round Robin, Web site and for Group Representatives to discuss with their groups prior to*

Assembly. There are a few different schools of thought regarding validity of motions. One is that the Area Chairperson has the authority to request a motion be withdrawn, rewritten, corrected, added to, is necessary to conduct or clarify, etc. prior to being presented to the Assembly. Another is that the ultimate decision makers of the Missouri Area are the Group Representatives and there should be no intermediary.

As was mentioned at Assembly, the Procedures Digest Committee has developed a draft form regarding motions and will begin gathering feedback at the August Area World Service Committee meeting.

## Lois's Corner

This article is from The Forum March 1989, which was entirely dedicated to Lois due to her passing

October 20, 1988

The clock was striking twelve the first time I walked down the path an knocked at the door of the front porch of Stepping Stones. "You're right on time," said the petite, smiling, white-haired woman who opened the door. "Thanks to Al-Anon," I replied, because I was so often late before Al-Anon. And that was how I met Lois.

It was a very special day, for on that autumn afternoon in 1976 I was interviewed to be editor of The Forum. It also marked the beginning of one of the most meaningful friendships of my life. In trying to describe all that Lois meant to me, the most appropriate thing is to, *keep it simple*, because there was no pretense, sentimentality of excess verbiage with Lois. With her clear blue eyes she would look straight at you and one-to-one, in a small group or at an Al-Anon board meeting-she would sum up the discussion in a brief phrase, quietly pose a question that could point to a solution, or prick a balloon of nonsense with a simple statement of fact.

Her unclouded view of reality set the tone for the program and the literature of Al-Anon. It also marked her approach to people and life. Lois was able to see people as they are and accept them. In that non-judgmental acceptance she brought out the best in all whom she met. Her loving attitude shone form her like an invisible force and attracted everyone, even those not in the program. Children and young people especially could relate to her youthfulness of spirit.

On a vacation I shared with her on Cape Cod, although she was 88 years old, she was game to take advantage of the sailing lessons on the sunfish that the Inn offered, and was annoyed that the boating instructor felt she was too frail to attempt it. That sense of adventure and fun was always a part of Lois. She was ready any time to travel anywhere and was eager to see new sights, around the world or close to home.

Lois had encountered and learned to overcome the same problems all family members and friends of alcoholics meet. She turned those difficulties into the life giving program of Al-Anon.

Lois leaves to each one of us the challenge to live the program and carry the message to help others. She reminds us, however, "First we must help

ourselves, for we cannot give away that which we do not have." So the best tribute to Lois is to follow her example of honesty, simplicity, humility and a loving, vibrant approach to life.

**“The Power of Serenity”**

**Jefferson City**

**We traded sadness and despair for peace and hope**

My husband and I first stepped into the room of an Al-Anon meeting just over a year ago. We were greeted by friendly people and felt a small glimmer of hope. In spite of the chaos of our home situation with an alcoholic daughter and the racing of our minds trying to find solutions to our problem, we felt a palpable sense of warmth and acceptance. Here was a safe place among people who understood the impact the disease of alcoholism has on a family. We couldn't help but notice the peace and serenity on the faces of some of the longtime members of the group, and wondered if it was even possible to attain that kind of joy in our own lives.

A year filled with some major challenges and small victories has passed. Time and working the program really have made a huge difference. The one thing I have noticed is that all newcomers attending our meeting initially carry the same air of dejection and sadness about them. I remember well, and identify with the desperation of trying to find hope in the midst of an overwhelming situation, as my husband and I were in that place ourselves.

As we have had the opportunity to meet with some of these newcomers and share our own personal, ongoing journey of recovery, we have realized that peace and hope have replaced the desperation in our own lives. We have grown. Working the program, meditation, application of the Al-Anon daily readers, and surrendering to the God of our understanding have all been key elements in our recovery.

We have discovered the truth that no situation is hopeless. Joy and serenity are possible, "One Day at a Time."
