

How to get your Family Care Safety Registry (FCSR) screening results.

1. Call the Family Care Safety Registry at (866) 422-6872. Their hours are 8:00 am – 3:00 pm, Monday through Friday.
2. Give them your Social Security number and your email address.
3. They will send you an encrypted email. Only you can open that email.
4. Open the encrypted email and download the PDF file containing your FCSR screening results.
5. Send that PDF document to the AAPP.
