

MISSOURI ROUND ROBIN

A Publication of
Al-Anon Family Groups of Missouri

JANUARY 2018

Delegate's Report

Greetings Missouri
Round Robin Readers,

I have included my full report from the 2017 November Assembly as promised! If you have any questions about it please feel free to reach out and contact me. I don't have many update outside of my report to share with you. I did want to share one piece of exciting news. Many of you know that last year I did a travel journal while I was at the World Service Conference. I posted updates of my personal sharing on social media daily. This year I have been working with our webpage coordinator and she had created a password protected page for me to post daily updates while I am at the 2018 World Service Conference. Please stay tuned and more information will be passed onto you in the near future. I hope all of you had an amazing holiday and I'm looking forward to seeing you in March.

Love in Service,

Sarah S

Panel 57 MO

Delegate's Report

Greeting Missouri Area Assembly,

Introduction:

It's already the November Assembly. Can you believe that? We are almost through the entire first year of this Panel. I've had the privilege of visiting some of the Missouri Area Districts this year. Thank you for the invitation and your hospitality. I would love to visit all the Districts by the end of my term. The 2018 World Service Conference will be here before we know it. I will have a lot of new information to pass on to you then. Recently I received an email from a member who was upset that I didn't respond to an ask-it-basket question I received in May. I do sincerely apologize. I shared in my Round Robin articles and at the 2017 August Area World Service Committee Meeting that my car was broken into and my Al-Anon bag was stolen. I also requested that any questions be resubmitted since I no longer had them. If you submitted a

question in May and didn't receive an answer from me, please resubmit the question and I will promptly get it answered. I am also going to share some updates with you from the 2nd and 3rd quarter from the World Service Office.

Ask-it-Basket Question:

Question: Building Expense – What's the Building Occupancy expense in the 2016 audited and 2017 budget on page 12 of the *World Conference Summary*? Is it for the current building and if yes what is the 284,000 and in 2017 the 285,550-expense covering?

Answer: The building is completely paid off. We do not owe any more money on the payment of the building. However, we do have Building Occupancy Expenses. There are many factors to this category: Depreciation (which is half), Utilities, HVAC Maintenance, Lawn Maintenance, and any other upkeep that is necessary for Building upkeep. The Executive Committee for Real Property Management (EPRMC) accesses our building needs and makes financial projections to address those needs. We are very fortunate! Our office is beautiful, well-kept, and in immaculate condition.

WSO FINANCE UPDATE:

The following financial update was taken from the 2017 October COB Letter:

Finance Committee Update: October 2017

Jennie M., Treasurer

The following update is based on the unaudited financial statements for the period ended September 30, 2017:

The General Fund recorded a loss of \$73,089 for this period, compared to a gain of \$303,315 this period last year. That represents a net negative of \$376,404 over this period last year. Revenue from literature sales was slightly behind that of 2016, but is tracking ahead of budgeted expectations. The General Fund investment income totaled about \$38,000. We have transferred \$142,200 from the Reserve Fund to the General Fund, as budgeted.

(Continued on page 2)

(Continued from page 1)

Income:

Literature sales were \$2,656,585 for this period, compared to \$2,663,981 at this time last year. Gross profit on literature sales was \$2,157,888 (81% of sales), compared to \$2,174,164 for 2016. Contributions are at \$1,427,956 for 2017, compared to \$1,459,358 last year—a decrease of 2.1% and falling short of budgeted projections by \$150,000 for the first nine months of the year. Forum subscription income was \$200,230 for 2017, an increase of 8%.

Expenses:

Actual operating expenses were \$4,136,660 for the first nine months of 2017, compared to \$3,681,725 last year and slightly over budget which is normal for this time of year. Full staffing is reflected in the increased expenditure over last year.

Reserve Fund:

The fair value of investments in the Reserve Fund totaled \$5,676,705 at September 30, 2017, an increase in value of over \$800,000 for this year reflecting the overall increased value found in the equities market.

Outlook:

Believing that the fellowship would be able to repeat its strong 2016 support in 2017, the budget was built on that expression of abundance and faith. If members are able to match 2016 contributions in 2017, we will end the year on target. We are looking to collect \$660,000 during October, November and December of 2017. Area treasuries can only do so much – we are dependent, as always, on individuals and groups as we try to help those who carry the message of hope.

Executive Director Update:

Our October Board Week was the first for our new Executive Director (ED), Vali F. and our last for outgoing ED, Mary G. As shared in July, Mary committed to working side-by-side with Vali beginning September 5th through the October Board meeting. This transition period has ensured that our new Executive Director, our WSO staff and our fellowship experienced a smooth transition. The Board took this opportunity to thank Mary once again for her dedicated leadership during these past 18 months. We wish her much joy as she begins a new adventure. Conference members will be given an opportunity to meet and get to know our new ED during the 2018 WSC. In the meantime, please welcome Vali in her new role as

Executive Director.

2018 World Service Conference:

The 2018 World Service Conference will be held in West Harrison, New York. This will allow for the Conference to visit Stepping Stones. Stepping Stones is the historic home of Bill and Lois Wilson. I am looking forward to this Spiritual experience that I've heard so much about. The 2018 WSC Theme is:

Al-Anon – There is no standing still!

I will provide the Alternate Delegate with the address for the hotel so they can share how and where to send Love Gifts for the Conference. The updates should be in *Round Robin* and shared at the March Area World Service Committee Meeting.

2018 International Convention (taken from COB Letter 2018):

Our 2018 International Convention Celebrating One Day at A Time is quickly approaching. Registration opened online and by mail September 15th. Online registration can be easily completed by going to www.al-anon.org and clicking on the International Convention link in the top right-hand corner of the website. In addition to the International Convention, a Day of Connecting has been planned by the Board. The Day of Connecting will be held on Thursday, July 5th. We have planned a fun and inspiring day, one that you will want to include when planning your attendance at the 2018 International Convention. 50th Anniversary One Day at a Time in Al-Anon (ODAT):

An additional exciting piece of news related to the 2018 International Convention is the Board’s approval of a 50th Anniversary One Day at a Time in Al-Anon (ODAT) commemorative edition, complete with gold lettering on the cover and gold ribbon book mark. A commemorative book plate will be included only for those purchased at the convention. This special edition of the ODAT will be available at the 2018 International Convention and for the remainder of 2018 until supplies are gone. A limited number of books will be printed and for a purchase price of \$15 US each.

Legal Actions of the Board:

Cease selling the hardcover version of *How Al-Anon Works* (B-22) for a three-year trial, review annually, once current supplies are depleted.

The Board approved the staff’s project proposal for a one-year trial to print the *The Forum* in full color starting in 2018.

It is with great excitement the Board announced the location of the 2023 International Convention:

Policy Committee Update (2017 COB Letter):

Policy Committee Update

October 2017

John M., Chairperson

Bruce F., Co-Chairperson

The purpose of the update sent each quarter by the Chairperson of the Policy Committee is to provide information and report progress regarding the following:

- Topics discussed by the Policy Committee that are generated by the fellowship and need clarification or interpretation in light of the Tradition and Concepts
- Policy motions presented to the 2017 World Service Conference (WSC)
- Policy motions approved by the WSC

The following topics were discussed at the October 2017 Policy Committee Meeting:

Policy Digest Review Thought Force presented the Policy Committee with a spreadsheet that made suggestions based on their review of the different sections of the Policy Digest. They marked each section as follows; Policy with Spiritual Principles, Policy without Spiritual Principles, Not

Statement Of Purpose

The **Missouri Round Robin** is the monthly service publication of Al-Anon Family Groups of Missouri. Please protect the anonymity of all whose names appear in it by keeping this newsletter within the Al-Anon/Alateen fellowship. Our deadline for material is the 10th of the month BEFORE the month in which your article is to appear.

We publish no poetry. The **Missouri Round Robin** is not copyrighted nor Conference Approved Literature.

For yearly subscriptions (group or personal), make checks or money orders for \$10.00 payable to:

Written as Policy, but Should Be and Does Not Belong. The Thought Force was thanked for their work and disbanded. Several task forces will be created in the upcoming weeks to work on various aspects of the Thought Force's findings.

Electronic Meetings Work Group reported on their progress. They have some good ideas about how to move forward and will begin working on one or two of them. They are also working on a breakout session for the 2018 World Service Conference.

"Open" and "Closed" Terminology discussion was continued. A task force will be created to change the language to be more welcoming to newcomers and professionals.

Getting in Touch with Al-Anon/Alateen (S23) pamphlet was discussed in light of changes in the way it is delivered to the fellowship. During the discussion, it became clear that what was in the Policy Digest about "Getting in Touch with Al-Anon/Alateen" is not policy. It does not interpret the Traditions or the Concepts. It is informational and most likely belongs elsewhere. The Policy Committee decided to leave it as it is until one of the Policy Digest Review Task Forces has a chance to make recommendations.

There was also a discussion about problems that come up when the Policy Digest is translated into Spanish and French. It was suggested that changes or additions to the Policy Digest be sent to the translators to review before the changes go to Conference for approval.

As always, members of Al-Anon are encouraged to submit questions or shared experiences to the Policy Committee for more interpretation according to our basic guides, i.e., the Twelve Traditions and the Twelve Concepts of Service. Consider how this issue might affect worldwide Al-Anon as a whole, remembering that Al-Anon policies are simply interpretations according to principles and not rigid rules.

The Forum: "Serving From the Heart" – What do you think?

In last month's issue of *The Forum* we asked a few questions to find out what you thought of "Serving from the Heart," a 12-month series of articles that shared the "why" behind the Board's dedication to service to AFG, Inc. The questions are:

- * What did you enjoy about the sharing's?
- * What did you learn about the role of the Trustee

that you didn't know before?

- * Would you like to see more sharing's from your Board of Trustees? If so, what topics would you like to see discussed?

Please submit your answers by November 14, 2017 to area31delegate@gmail.com. I will compile the results and send them in.

In the Loop:

Have you signed up for *In the Loop*? *In the Loop* replaced *Group news* and AFG Announcements in September. You may sign up by visiting al-anon.org/or email me.

Conclusion:

I am honored and humbled to be of service to the Missouri Area as your Panel 57 Delegate. Thank you for your love and continued support. I am your link between the Groups and the World Service Conference. Please don't hesitate to ask me any questions. You can always reach me at (573) 202-8994 or area31delegate@gmail.com. I realize I have thrown a lot of information at you. I am happy to provide any clarifications necessary. I am your Delegate, and I cannot carry our vote to the World Service Conference without your input.

Treasurer's Report

Happy Holidays! Hope you all have a happy holiday season.

The current checkbook balance at the end of November 2017 is \$10,911.70. There will be an additional literature sales deposit that was reflected the first couple of days in December, not included in the balance.

Our total contributions for the month of November are: \$1,446.78. Thank you to all of the districts and groups and even the personal contributions that are coming in. This is what gives our Area the ability to help fund our Area events, pay for AWSC meetings and Assemblies and also provide Serenity Patrol so that our teen can attend these events safely.

When you continue to make contributions to the Area, please look in the Round Robin for your receipt. If there's any questions, please send me an email or call myself in December and Jani going forward in 2018. Thank you to everyone for your contributions. Much appreciated!

We are working through the process of having Jani included on the checking account and the reserve fund so that we can fully transition the books to our new Area Treasurer.

I look forward to your continued support and the Missouri Area thanks you for contributing to our Area so that we are continuing to fully support the business of the Missouri Area. The contributions listed below are from the months of October and November 2017.

Grateful in service, Lori H, your (former) Area Treasurer—

Convention Coordinator

Happy New Year all. Hope this finds all renewed from the holidays and ready to take on the New Year.

Please take note. Due to a scheduling conflict, the date for Convention has changed. It will now be September 21-23, 2018. I'm sorry for any inconvenience this may have caused.

We are working hard to bring you a great convention. This year we're going to do something that hasn't been done in a while. We are having a dance following the speaker on Saturday night. We're making the evening a black-tie event. This is not mandatory. Just thought it would be fun. So, if you'd like to get all dolled up and do a little dance please do. There will be activities during the dance for those who do not attend. I'm working on a playlist so feel free to let me know what you'd like to hear.

As always, we need Mini Meeting ideas and volunteers to chair. Also, volunteers for hospitality.

I have reviewed the surveys from Assembly. I will start obtaining bids for places soon. We will vote on these in November.

We have Area World Service Committee (AWSC) coming up in March in Jefferson City. Watch the website for upcoming events and details.

Respectfully submitted,
Melanie E, Convention Coordinator

Holiday Greetings from Lois

Dear friends in Al-Anon and Alateen,

Merry Christmas to you all—in whatever climate you may be: midst the snows of the north country: the sun, sand and palms of the south: or the temperate regions in between. We in Al-Anon throughout the world are all living by the same program, all trying to help our fellow beings. But first we must help ourselves, for we cannot give away that which we do not have.

May you all have much joy during this coming New Year.

Lovingly,
Lois

Chairperson's Report

I just read through the article I sent in for the December Round Robin and I was reminded after every mountain top experience comes reality.

Since then the holidays have descended upon us. The officers met right after Assembly to begin the transition process. It was agreed that most things could wait until after the holidays. So I am writing to you from a place of rest. Even in service we need to rest.

Or as much as you can when you have Area business that needs to be taken care of:

AUDIT COMMITTEE-

An Audit Committee has been formed. Plans will be made after the holidays to meet and the books will be audited and completely transitioned from Lori to Janie in an orderly fashion. Having an Audit done is just one of the many ways Missouri Area stays accountable to its members and a full report will be given at the AWSC Meeting and the May Assembly.

*2017 Tea Time in Missouri**Al-Anon/Alateen*

November 26, 2017

My crunchy jumbo cookies are made, and the KC Chiefs scored a touchdown. Time to get ready for my two o'clock Tea Time, "improving my conscience contact with God." It was spent on thinking about grief, acceptance, and gratitude.

This has been a year of grief and deaths. I've been a widow 11½ months now, almost a year. It was this time last year Bill was in the hospital and diagnosed with Lewy Body dementia. He lived one week in the nursing home with hospice care. Three months later, Bill's brother, Tom, died suddenly. In August, Bill's first cousin died; and this cousin's sister died six weeks later. Today my oldest sister called and said her son (52 years old) was found dead from an apparent heart attack.

I'm accepting life as it is, and not as I wish it to be. I'm grateful Bill died sober 24 years and that he went quickly. I'm grateful that our Al-Anon Welcome says, "You can find happiness and even contentment whether the alcoholic is still drinking or not." I'm grateful that two of my children grew up in Alateen.

One of my spiritual readings says, "Walk with me along the high road of thanksgiving and you will find all the delights I have made ready for you." I know and remember a quote from ODAT, One Day At A Time, "God has given me the faculties to be able to bear what comes to pass without being crushed or depressed thereby." I can honestly say I have not been crushed or depressed this past year. I anxiously await the delights He has made ready for me.

Sincerely,

Loretta

with a
grateful heart*

Treasurer's Report

Hello to the Missouri Area. My name is Janie Faul and I am the new Treasurer for the Missouri Area. I was elected your new treasurer during the elections that were held at the November assembly. Is this a position I wanted? The answer would be no, but it's a gift from my Higher Power. I learned early in service that all I am required to do is be willing to serve whether it is at the group, district or area level. And I was willing to stand and serve at this position.

I am a transplant from the Alabama/NW Florida Area 64. I have been in the Missouri Area for the past 4 years and attended my first Missouri Area Assembly in November 2013. I wanted to continue my Al-Anon service journey in Missouri. So here I am. Here is the new address where groups can send in their contributions to the area:

Janie F
PO Box 221
Cottleville, MO 63338

My phone number: 256-426-8394

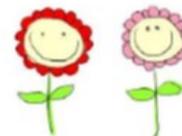

Some groups may have my home address that I gave to the group representatives at the assembly. If your group mailed your group contribution to that address, I will get it. We will work on getting this information out to all the groups. Also, the AIS office sent out information with the new address, but the zip code was different. If you have any issues, please call me.

The previous treasurer and I are working together to change the bank information and this should be completed by January 1, 2018. I ask for your patience during this transition and thank you for this opportunity to continue to grow in service.

MO Area Treasurer

Janie F

It is strongly suggested that groups pay for their Round Robin subscription. The Round Robin is a service of the Missouri Area to Missouri Area groups. Groups not receiving the Round Robin should update their Current Mailing Address (CMA) with the Area Group Records Coordinator.
